

WHAT: Fly-A-Ways BONFIRE BBQ

WHEN: Saturday, October 6th

WHERE: North Plains RC Club Field

TIME: 6 PM (Rain or Shine)

BRING: Pot-Luck (RSVP the dish you are bringing)

EVENT CONTACT: Bob Duncan N6TU@comcast.net

Hopefully, the weather forecast for Saturday evening Oct 6th will be dry but it is fall so be sure and dress warm and bring an umbrella if it is raining. We'll lite the fire at sunset around 6 pm so we all can huddle around the fire for warmth. It will be dark so you might want to bring a flashlight or forehead lamp. This is a family event so feel free to bring the kids and dog. This is a Pot-Luck event so we ask everyone to bring a little something. Below is a list of suggested food dishes to bring but you're not limited to just this menu. However, please pick a dish you'd like to bring and confirm with me so that we don't have duplicate dishes. Bring your favorite **non-alcoholic beverage** and a meat item, if you desire, that you can cook on the grill for your party. We'll have a BBQ grill set up and hamburgers and hot dogs provided by the club. If you have an motor home or camping trailer, you're welcome to bring it and stay overnight (dry camping). Night flying for those with LED lighted airplanes.
